Catherine Bisiaux for Women Against Cervical Cancer

Grimaldi Forum, Monte Carlo, WACC Space
February 17th and 18th 2010

The WACC International Foundation team and Catherine Bisiaux are delighted to invite you to the photo exhibition dedicated to WACC, to be held on the occasion of the third WACC International Forum of women and patients organisations February 17th and 18th 2010 in Monaco.

Born in Morocco, Catherine Bisiaux lives and works in Paris. Yet her photography has taken her all around the world, picturing strong lives and bright lights. If colours strike the eye at first, it is the poetry of the instant and the rawness of these women's lives that will stay with us.
